

Supply List for Mickey La Fave Class

Watercolor Paint: Any quality watercolor paint will work just fine. If you want to mimic my paints, I am listing my paints that I will be working with in class.

(Guiry's, Amazon, Jerry's Artarama are good sources for these paints and other supplies listed)

Dr. PH Martin Hydrous watercolors:

5H Quinacridone Magenta
9H Cobalt Violet
2H Gamboge
16H Cobalt Blue
1H Hansa Yellow Light
8H Ultramarine
34H Turquoise Blue
Dr. Ph Martin's Bleed Proof White

Ecoline liquid watercolor:

337 Magenta
508 Blue

Misket: I use Grumbacher liquid frisket
Frisk Masking fluid remover (also called glue and residue Reaser or adhesive remover)

(I have lots of these if you don't have one)

300 lb Watercolor Paper: I use Fabriano 300 lb cold press paper. We will work with 2 - 8" x 10" sheets and 2- 11" x 14" sheets. (Sheets are typically offered in large sizes and can be cut down to size. Guirys has single sheets available for sale and Jerry's Artarama has nice prices on bulk sheets)

Watercolor Brushes: Good quality brushes are recommended. If you want help and to try out a brush, Guirys and

I primarily use Steve quilter / Richeson Profession 7000 brushes. There are reasonably priced.

I primarily use round brushes sizes #1, #4, #6, #8 for smaller paintings and a #10 for the tree class.

I will also use a round mop brush. Escoda Versatil #16 is good but pricy and Silver Black Velvet mop brush size 3/4 oval is also a favorite and cheaper.

If you have a 1.5" or 2" flat wide watercolor brush, it will be handy for one of the classes also. If you don't have one, a mop brush just fine.

Other supplies:

Pentel Metallic MED gel pen. (This pens sometimes is sold in a dual pack with a silver and gold pen)

1" masking tape, pencil, erasure, thin Sharpie (I prefer Copic Multi-liner size 0.03 in black)

Scrubber brush. If you have never used one, I want to introduce you to this magical tool. I use zen Royal & Langenickel model Z83SC. Micheals carries these on line)
